Education

Hutchinson Central Technical High School — Diploma Awarded June 26, 2026

256 S Elmwood Ave, Buffalo, NY 14201

- Courses: AP English Language and Composition, AP US History, AP Pre-Calculus, Advanced Computer Science
- Advanced Studies Courses: Earned 25 SUNY College Credits
 - GPA: 4.0 college GPA

Experience

Community Service, Hutchinson Central Technical H.S. 2023 – 2026

- Helped organize and execute an Open House for the Computer Technology Program at Hutchinson Central Technical High School.
- Supported the organization and implementation of the JROTC Open House.

Skills

- **Bilingual:** Fluent in both English and Spanish, with experience providing translation during medical appointments and government-related meetings such as IRS and Child Support.
- **Programming:** Used Python, C++, HTML, and CSS for an educational project at Hutchinson Central Technical High School.
- **Adaptability:** In the NASA Application Creation Project, learned C++ quickly to meet project requirements.
- **Reference:** Available upon request.

Objective

- Motivated cybersecurity enthusiast with hands-on experience in ethical hacking, AI programming, and game development, and a strong foundation in Python and core security concepts. Looking to apply this knowledge to real-world challenges and continue growing technical expertise through innovative, hands-on projects.
